Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450**PETITION RE CERTIFICATE OF CORRECTION**

Dear Sir:

Responsive to the United States Patent Office's denial of a *Request for Certificate of Correction* mailed March 15, 2010, please correct the *Assignee's* name under 37 CFR § 3.81(b).

The *Request for Certificate of Correction* mailed February 22, 2010 was submitted after the date of payment of the *Issue Fee* on October 12, 2007. The *Assignment* was recorded on February 14, 2007 at Reel/Frame 018883/0781 in the name of Georgia-Pacific Consumer Products LP. The failure to include the correct *Assignee's* name at item 3 of the *Issue Fee Transmittal Form PTOL-85B*, i.e., Georgia-Pacific Consumer Products LP, was inadvertent in that it was a typographical error.

2

A copy of the *Notice of Recordation of Assignment Document*, reflecting the reel and frame number where the *Assignment* is recorded is attached.

Since the fee as set forth in §1.20(a) was previously submitted for consideration of a *Request for Certificate of Correction* Under §1.323, mailed February 22, 2010, no additional fee is required. However, if additional fees are deemed necessary, please consider this a *Petition* therefor and charge any fees to Deposit Account No. 50-0935. Additionally, please charge the processing fee set forth in §1.17(i) to Deposit Account No. 50-0935 for this *Petition*.

Please have the file forwarded to the *Certificates of Correction Branch* for issuance of a *Certificate of Correction* if the *Request* is granted.

Respectfully submitted,

Michael W. Ferrell
